

## **Rory McLeod Solo AGREEMENT and PRODUCTION INFORMATION.**

**This agreement and information are just to clarify and insure that all parties understand and know what is needed and offered, and/or is not possible.**

***Not because Rory is a Diva,  
but because we want everyone,  
both Rory and yourselves, putting on this event,  
to be happy, relaxed and comfortable with each other,  
with no sudden surprises occurring to upset anyone at  
the last minute.***

A contract is a form of communication in written correspondence between ALL parties so we are all clear and understand all the above. And all that is written and agreed upon below.

**So please take a moment to fill in the details and sign and return ASAP.**

**Anything you cannot offer us/or doesn't apply please write this in here... and send it back to us-**

so that Rory 'the Musician', before leaving home, or departing from his last gig, to drive for hours to arrive at your venue, can at least know what to expect, be prepared and plan before he arrives.

**We don't assume anything nor take anything for granted...**

**but we hope for the 'best' and can prepare for the 'worst'.**

Looking forward to making it a wonderful time.
